## Margin Change Request Form

In connection with my foreign exchange trading account carried by Forex Capital Markets Ltd., ("FXCM"), the undersigned hereby ratifies and confirms that he/she has agreed to a set margin requirement. The standard margin requirement is 1% and increases based on account size. **However, margin requirement is variable and may be changed at any time at the sole discretion of the dealing desk, based on account equity, simultaneous open positions and market volatility.**

<b>Account Number(s)</b> ("NEW", if new account)		
<b>Primary Account Holder</b>		
Last Name	First Name	Middle Name
<b>Joint Account Holder (if any)</b>		
Last Name	First Name	Middle Name

The above Trader requests his margin requirement be changed from the current margin requirement to that which is indicated below. **The new margin requirement will affect both new and existing positions.**

**NEW Margin Requirement:** \_\_\_\_\_

Because the risk factor is high in the foreign exchange market trading, only genuine "risk" funds should be used in such trading. If Trader does not have the extra capital the Trader can afford to lose, Trader should not trade in the foreign exchange market. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss.

**The undersigned agrees that he/she understands and certifies that they have the financial resources to enter this Agreement and that all trading objectives have been explained. The undersigned acknowledges having received, read and understood the foregoing Margin Requirement Change.**
